PETITION FOR LICENSE FOR FOREIGN FILING
UNDER 35 U.S.C. 184

OCT 04 1990

Sir:

GROUP 150

Petitioners, Xina Nair and Kenneth M. Tramposch respectfully request a license under 35 U.S.C. 184 to file the above-identified patent application entitled "Synergistic Skin Depigmentation Composition", a copy of which is attached hereto, in various foreign countries. These foreign applications will claim priority from United States patent application, Ser. No. 397,921 filed on August 24, 1989.

This application relates to antiviral compounds and petitioners do not believe that the foreign filing of the enclosed application is detrimental to public safety or to the national interest or defense.

Petitioners respectfully request expeditious handling of this petition. The Commissioner is hereby authorized to charge payment of the \$140.00 fee, or any additional fees required by this paper under 37 C.F.R. 1.17 (L), or credit any overpayment of same, to Deposit Account No. 02.3850. This petition is submitted in duplicate.

Respectfully submitted,

David M. Morse
